Sir,

In forwarding herewith Copy of Resolution No. 12 passed by the Sanitary Board at its last Ultimo?
Ordinary meeting dated 9th Instant regarding the entertainment of 4 additional Sweepers by the Sanitary Board.

I have the honor to point out that this additional establishment over and above the strength budgetted for in July is necessitated by the rapid growth of the Cody Colony system under which already some 7000 Coolies mostly engaged in or about the Mines have been removed from insanitary Clusters of hovels in and around the

Villages adjoining the Fields and have been housed under good Sanitary Condition in five Colonies of about 400 houses each under the supervision of the Sanitary Board.

In July it was thought that the 7 additional Sweepers allotted for these colonies would suffice. Owing to the rapid growth of these Colonies to the dimensions described above the additional Sweepers now allotted are absolutely necessary and it is possible that in the near future even more will be required.

The need being most urgent, the 4 additional sweepers now resolved on have been entertained from the 10th Instant and I would therefore request you to obtain sanction of Government to the entertainment of these four additional Sweepers with

effect from the date of their entertain-
ment.

I have the honor to be
Sir,
Your Most Obedient Servant

President.
Sanitary Board
Kolar G. Fields.
